

The image is a promotional piece for the video game LittleBigPlanet 3. It features three main characters: a medium-sized, light-brown, sack-like character in the center with a simple smile; a much larger, darker brown, sack-like character on the right with a wide, open-mouthed grin showing a pink tongue; and a smaller, light-brown sack-like character in the bottom left corner, also with a wide grin. The characters are set against a vibrant blue background with a grid pattern and stylized white clouds. A thick, braided orange rope is draped across the scene. The title 'LittleBigPlanet 3' is prominently displayed in the center-left, with 'LittleBIG' in white and 'Planet 3' in orange, all within a white outline. The overall aesthetic is playful and whimsical, characteristic of the game's design.

However there a balance to be drawn between Worldwide generating a return for the BBC and limiting Worldwide s operations in order to ensure it upholds the BBC s reputation and does not damage its commercial competitors Worldwide s minority stakes in overseas production companies its controversial acquisition of Lonely Planet and its growing portfolio of magazines suggest that the balance has been tipped too far in favour of Worldwide s unrestricted expansion jeopardising the reputation of the BBC and having an adverse impact on its commercial competitors It is in the interests of the UK s creative economy as a whole that BBC Worldwide s activities are reined back The BBC Trust should reinstate the rule that all BBC commercial activity must have a clear link with core BBC programming
