

The Federal Government consists of two main types of services to hire employees:

Competitive Service

To get a job in the Competitive Service, you must go through the Office of Personnel Management (OPM)'s standard application and hiring process, in which an agency evaluates you against all other applicants based on OPM's specific hiring guidelines. This is also called "Open Competition."

These guidelines are intended to emphasize fairness and transparency in the hiring process.

Day 1

Congratulations! You've been hired into the Competitive Service.

Your first year is your **Probationary Period**, during which your employer will determine if you are the right person for the job.

For the first 3 years, you are considered a **CAREER-CONDITIONAL EMPLOYEE**.

CHANGING JOBS
You are eligible for jobs under the **Federal Employees** filter. For these jobs, you are exempt from competing with the general public or people with Veterans' Preference. Instead, you compete with other competitive service employees.

You may decide to leave the government, if you return, you'll still be able to apply to jobs under the **Federal Employees** filter. But time is limited.

After 3 years away, you may only apply to jobs that are **Open to the Public**.

After three continuous years of service, you are officially considered a **CAREER EMPLOYEE** and you acquire **Tenure**.

CHANGING JOBS
Among other benefits, **Tenure** allows you to return from any length of time away from government and still be eligible for jobs under the **Federal Employees** filter.

Excepted Service

Excepted Service employees are hired non-competitively, which means agencies use a streamlined hiring process more like the private sector than the regular competitive process. Agencies use this process:

- To attract highly specialized professionals
- To hire individuals with specific backgrounds
- For hard-to-recruit occupations
- For positions that deal with confidential information.

Day 1

Congratulations! You've been hired into the Excepted Service.

You may be hired for a **TEMPORARY APPOINTMENT**, the length of which is not to exceed **1 year**, but could be shorter.

CHANGING JOBS
As an employee in either Service, you may always look for another Federal position by searching for jobs under the **Open to the Public** filter.

You may be hired for a **TERM APPOINTMENT**, the length of which exceeds **1 year**, but not more than **4 years**.

Students, interns, recent graduates, and Presidential Management Fellows (PMFs) may also be hired temporarily in the Excepted Service.

CHANGING JOBS
You may look for another Federal position in either Service by searching for jobs that are **Open to the Public**. To enter the Competitive Service, you would be subject to Open Competition, but your experience as a federal employee may give you an advantage. Or, you may be eligible to use the **Interchange Agreement**, which allows you to transfer from Excepted to Competitive Service.

Some Excepted Service positions have terms of **indefinite length**, which may exceed 4 years.

Federal Employment Excepted Service:

How to Land a Top-Paying Federal Job Lily WHITEMAN, 2008-09-08 A comprehensive guide to landing one of the hundreds of thousands of jobs filled each year by the nation's largest employer—the U.S. government. *How to Land a Top-Paying Federal Job* Lily Madeleine Whiteman, Eleanor Holmes Norton, 2012-06-17 How to Land a Top-Paying Federal Job is the ultimate guide to securing a government job internship or fellowship. Written by a successful career coach who has climbed the federal career ladder herself and served as a hiring manager, the book steers applicants through every stage of their job searches from finding unadvertised openings and getting interviews to sealing enviable deals and even getting promoted. Drawing on interviews with more than 100 federal hiring managers, the book reveals the secrets to impressing these gatekeepers online, on paper, and in person—information that is available nowhere else. The updated second edition includes more get-ahead tips, new templates for writing winning applications, expanded directories for internships, fast-track management training programs and fellowships, and the latest helpful websites. Complete with a companion CD filled with sample resumes, checklists, and templates, this indispensable book gives readers the inside scoop on landing some of the nation's most secure, well-paying, and rewarding jobs in all 50 states and abroad. Understanding Federal Employment Law Kimberly P. Mayfield and Marilyn E. Phelan, Marilyn E. Phelan, 2026-02-19 Understanding Federal Employment Law is a clear, comprehensive guide to the laws and procedures governing workplace rights within the federal government. Written for federal employees, attorneys, HR professionals, and policy specialists, this book explains how federal employment disputes are handled from start to finish. Unlike private sector cases, federal employment claims require strict compliance with administrative processes before a lawsuit may be filed. This book walks readers step by step through the EEOC complaint process, MSPB appeals, mixed case claims, and the procedural deadlines that often determine the outcome of a case. The book also examines key federal statutes, including Title VII, the Age Discrimination in Employment Act, the Americans with Disabilities Act, and related workplace protections. Readers will gain a practical understanding of burden-shifting frameworks, such as the McDonnell Douglas analysis, along with real-world examples illustrating how courts and administrative bodies evaluate discrimination and adverse action claims. In addition, the book addresses recent executive orders and policy changes affecting the federal workforce, helping readers understand how shifting regulations influence employment protections. Practical, timely, and accessible, Understanding Federal Employment Law is an essential reference for anyone navigating the federal workplace system. Whether protecting your rights, advising clients, or studying government employment policy, this guide delivers the clarity and structure needed to confidently engage with federal employment law. **The Book of U.S. Government Jobs** Dennis V.
