## **Journey of Growth**

From little steps to this proud march,  
In your journey, you've arched.  
Each day, a chapter in your story,  
Leading to this moment of glory.

From ABCs to this grand day,  
In your growth, you've found your way.  
In each lesson, each trial, you've soared,  
On life's stage, you've roared.

Graduation day, a milestone so grand,  
In your achievements, we proudly stand.  
Your journey of growth, a tale so bright,  
In your future, take your flight.

## Graduation Poems For Son:

T. S. Eliot James E. Miller Jr.,2008-03-17 Late in his life T S Eliot when asked if his poetry belonged in the tradition of American literature replied I d say that my poetry has obviously more in common with my distinguished contemporaries in America than with anything written in my generation in England That I m sure of In its sources in its emotional springs it comes from America In T S Eliot *The Making of an American Poet* James Miller offers the first sustained account of Eliot s early years showing that the emotional springs of his poetry did indeed come from America Miller challenges long held assumptions about Eliot s poetry and his life Eliot himself always maintained that his poems were not based on personal experience and thus should not be read as personal poems But Miller convincingly combines a reading of the early work with careful analysis of surviving early correspondence accounts from Eliot s friends and acquaintances and new scholarship that delves into Eliot s Harvard years Ultimately Miller demonstrates that Eliot s poetry is filled with reflections of his personal experiences his relationships with family friends and wives his sexuality his intellectual and social development his influences Publication of T S Eliot *The Making of an American Poet* marks a milestone in Eliot scholarship At last we have a balanced portrait of the poet and the man one that takes seriously his American roots In the process we gain a fuller appreciation for some of the best loved poetry of the twentieth century **Codline's Child** Wilbert Snow,1974 **The Collected Poems of John Ciardi** John Ciardi,1997 Ciardi declared in the *Saturday Review* that e very good poet writes one poem more than his index shows and that is the total poem of all the others put together For Ciardi that total poem is *The Collected Poems of John Ciardi* a work that reveals the poet s assurance of line and meter his skill for distinctive and intense observation his wit and unflinching candor and his understanding of humanity its weaknesses and its need for mercy *Life and Times of David Humphreys* Frank Landon Humphreys,1917 **Booklist** ,1929 *Patriotic Poems of New Jersey* ,1906 *Obituary Record of Graduates of Yale University* Yale University,1916 **A.L.A. Tracy,2001 The twelfth volume of *The Collected Works of Langston Hughes* contains Hughes s collections of biographies for children and young adults *Famous American Negroes* *Famous Negro Music Makers* and *Famous Negro Heroes of America* gathered together for the first time In these works Hughes sought to remedy decades of historical and cultural neglect by telling the stories of African Americans who had made vital contributions to the construction of the American identity Hughes made clear his commitment to an inclusive and diverse accounting of the achievements of African Americans on American soil from vernacular expression to high culture oratory to combat geographical exploration to intellectual introspection His lively and dramatic portraits of African Americans such as Crispus Attucks Frederick Douglass Jackie Robinson and Mahalia Jackson battling against exclusivity and adversity to achieve their full potential present a captivating portrait of America This volume is a valuable record of the emerging African American struggle for civil rights and positive self determination It also documents Hughes s interests as he entered the fifth decade of

his life and can be read fruitfully alongside his writings for adults at the time reflecting his sociocultural and political thought
