Broadcasting, Broadcast Advertising, 1945-07 **Differential Equations, Dynamical Systems, and an Introduction to Chaos** Morris W. Hirsch, Stephen Smale, Robert L. Devaney, 2004 Thirty years in the making this revised text by three of the world's leading mathematicians covers the dynamical aspects of ordinary differential equations it explores the relations between dynamical systems and certain fields outside pure mathematics and has become the standard textbook for graduate courses in this area The Second Edition now brings students to the brink of contemporary research starting from a background that includes only calculus and elementary linear algebra The authors are tops in the field of advanced mathematics including Steve Smale who is a recipient of **Mads Lange's Forgotten Treasures** Peter Bloch, 2021-02-01 Mads Johansen Lange 1807-1856 was the most influential person that made Bali prosper during the mid 19th century In order to receive favorable treatment and procure lucrative trade deals he presented the kings of Bali with luxury goods His philosophy was to unite and share rather than divide and conquer so he treated all his relationships equally within the social political system of the time Lange strived to have peace maintained in Bali for his business to succeed and for the welfare of the inhabitants The prosperity is evident in the luxury goods that he presented to his contacts from valuable daggers with gold and precious gems to elaborate temple sculptures to fancy carved cabinets Lange branded these gifts with his name many with an image of his face or important scenes from his life Portrait figures done in an unusual and animated style illustrate important events from befriending royalty to playful interactions with his wives to negotiating peace treaties between the Balinese and the Dutch Those who are closely or remotely familiar with Lange's role in Balinese history will be fascinated by these artifacts as they increase the interest and understanding of him as a human being These gifts remained hidden in palaces temples and caves across the island for nearly 200 years This unique collection was made possible through the untiring efforts of a fellow Dane Peter Bloch **Teaching and Learning Mathematics Online** James P. Howard, II, John F. Beyers, 2025-06-30 Teaching and Learning Mathematics Online Second Edition continues to present

meaningful and practical solutions for teaching mathematics and statistics online It focuses on the problems observed by mathematics instructors currently working in the field who strive to hone their craft and share best practices with the community The book provides a set of standard practices improving the quality of online teaching and the learning of mathematics Instructors will benefit from learning new techniques and approaches to delivering content New to the Second Edition Nine brand new chapters Reflections on the lessons of COVID 19 Explorations of new technological opportunities

Thai Stick Peter Maguire, Mike Ritter, 2013-11-19 Thailand's capital Krungtep known as Bangkok to Westerners and the City of Angels to Thais has been home to smugglers and adventurers since the late eighteenth century During the 1970s it became a modern Casablanca to a new generation of treasure seekers from surfers looking to finance their endless summers to wide eyed hippie true believers and lethal marauders leftover from the Vietnam War Moving a shipment of Thai sticks from northeast Thailand farms to American consumers meant navigating one of the most complex smuggling channels in the history of the drug trade Peter Maguire and Mike Ritter are the first historians to document this underground industry the only record of its existence rooted in the fading memories of its elusive participants Conducting hundreds of interviews with smugglers and law enforcement agents the authors recount the buy the delivery the voyage home and the product offload They capture the eccentric personalities who transformed the Thai marijuana trade from a GI cottage industry into one of the world's most lucrative commodities unraveling a rare history from the smugglers perspective
