The Strategic Management of Information Systems Joe Peppard, John Ward, 2016-04-18. A comprehensively updated revision of a book regarded by many as one of the leading and authoritative titles for practitioners, academics, and students in the domain of information systems and technology. IS/IT strategy. Presents a structured framework with tools, techniques, and ways of thinking which provide a practical approach to building a digital strategy expressed primarily in the language of business and management. Brings together the implications of the significant advances in IT and the most useful current thinking, research, and experiences concerning the business impact and strategic opportunities created by IS/IT. Peppard and Ward discuss the key questions that managers have to grapple with: where, when, and how to invest in IS/IT, which is why a IS/IT or digital strategy is required.
