That was until he saw Caroline, the younger sister. He can't explain the aching attraction he feels for her, but he's willing to risk scandal and ruin just to have her. However, there are things she can never find out. Things that would tear apart any feelings she might have for him and force her back to America. Somehow Merrick must protect her from the destruction his legacy carries. A promise to a dying sister. Following him to his chateau deep in Germany's Black Forest, Caroline is caught up in a passion and seduction so strong she doubts her sanity. All the while, a sinister threat hovers close by, a danger much more perilous than falling in love with the Baron. When two worlds collide, Caroline and Merrick must both make choices. Choices that could bring a new future or their demise. **A Belated Bride** Karen Hawkins, 2009-10-06 She'd Never Marry Him. The last man Arabella Hadley ever wishes to see again is Lucien Deveraux, the handsome dissolute Duke of Wexford who broke her innocent heart years ago and disappeared to London. So when she finds an unconscious man on her deserted country road and sees that it's Lucien, she's tempted to leave him there. But even more appalling than his presence is the brazen kiss he plants on her shocked lips and her response. So it would be totally insane to take him home to recover, wouldn't it? Except for one small thing: Lucien dares not reveal why he's returned to his country estate or why he abandoned the strong-willed beauty years ago. Especially since Arabella clearly has secrets of her own. But when her scheming marriage-minded aunts successfully compromise them, the two are forced to become man and wife. Which makes it ever harder for both to battle the passion that never disappeared.
