**How To Be Invisible** Kate Bush, 2018-12-04 Selected and arranged by the author and with a new introduction by novelist David Mitchell How To Be Invisible presents the lyrics of Kate Bush published together for the first time For millions around the world Kate is way more than another singer songwriter she is a creator of musical companions that travel with you through life One paradox about Kate is that while her lyrics are proudly idiosyncratic those same lyrics evoke emotions and sensations that feel universal Literature works in similar mysterious ways Kate's the opposite of a confessional singer songwriter You don't learn much about Kate from her songs She's fond of masks and costumes lyrically and literally and of yarns fabulations and atypical narrative viewpoints Yet these fiercely singular songs which nobody else could have authored are also maps of the heart the psyche the imagination In other words art David Mitchell
