

nUbee's Newbie Guide for FCOM

Introduction

This guide is intended to help those who have never installed FCOM on their Oblivion install. Many players feel the process of installing four overhauls is a daunting and confusing task. The reality is that all you need is a little patience and know that if something goes wrong, it can be fixed, and that you learned something in the process. I will do my best to be as clear as possible in the steps provided.

One of the great things about FCOM is that there are so many ways to customize your game. There are many, many mods out there that are compatible with and compliment FCOM. But since this is a newbie's guide, I will give you the steps for a basic installation.

When downloading mods, I recommend you create a folder (e.g. "OblivionDLs" on your desktop) and place all downloaded material into that folder. The more organized your files are, the less stress there is. In case you don't have it already, you will need to download and install [7-zip](#). It's a free archive creator/extractor that will be able to extract just about any archive you come across. It's also needed for making a modified archive of our own. This guide will assume you have it.

Most of the required material can only be downloaded from [tesalliance.org](#) and [nexusmods.com/oblivion/](#). You will need a login at these sites for downloading.

1. Install Oblivion and DLC

1.1: To start off with, make sure you are installing FCOM on a clean install of Oblivion. That means that no other mods or files should be installed when starting this. So if you have Oblivion installed already, it might be easiest to just uninstall it and remove the Oblivion folders from:

C:\Users\<your username>\Documents\My Games

and

C:\Users\<your username>\AppData\Local

1.2: Now install Oblivion. Be sure to install the game into a directory that is not in C:\Program Files\. Instead, install it in a new folder such as

C:\Games\Oblivion

This way you won't be bothered by UAC and have problems later down the road.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
