**All the Broken Pieces** Anna Paige,2016-09-10 All the Broken Pieces is a contemporary romance novel and the third INTERCONNECTED STANDALONE novel in the Broken series Due to coarse language and graphic sexual situations this book is not intended for individuals under the age of 18 How far would you be willing to go for someone you love For Lauren Caldwell the answer was as far as necessary She had done what she had to do to protect the one person who meant the most to her in the world her uncle She wasn t proud of herself but in the end she had protected him just as he d always protected her A year later a year of being ostracized in the small Virginia town she called home she found herself helplessly watching her worst nightmare unfold She was alone Until a stranger became a friend who became the glue that might finally piece together the jagged fragments of her life of her heart How far would you be willing to go for someone you love Brant Matthews never wanted to fall in love again he had worked diligently to avoid emotional entanglements at all costs He knew what it was to lose the one you loved to fail them so irrevocably that the entire trajectory of your life shifted But seeing the broken look in Lauren s crystal blue eyes feeling that old pain flare anew and knowing from experience exactly how much she was hurting he never stood a chance She had him whether she was ready to accept that or not And when her childhood tormentor set his sights on her once more Brant knew exactly how far he would go to keep her safe He would die for her or kill for her There would be no middle ground

Her Broken Pieces Rachel Leigh,2022-02-17 His hollow heart called to me Charred black from years of his own torture An urge to fill the empty spaces that I was responsible for when I left him He thought I deserved the same wrath he endured all those years ago I came when I was summoned Unaware that my past was waiting behind closed doors One look into those eyes that wore dark shades of fury and I knew this was part of his plan With time I started to see fragments of the boy I once knew Before long he was a man holding the key to my heart Now that I m ready to give him all of me he s gone and all that s left is the broken pieces of my shattered heart A dark romance and book two in the Fallen Kingdom Duet

L. Green,2018-07-31 Cassiopeia Larsen thinks moving to Vancouver Canada with her best friend Ellie will be the fresh start she needs What s better than moving to an entirely new continent when you re running from your past and the memories that haunt you It works too for a while Cassie loves her new nursing role at the hospital She s made some fantastic friends and discovered newfound peace in the city she now calls home After a string of

short relationships and one night stands she's reluctant to fall for any man. Hardly surprising considering her childhood. Then along comes Connor. But things aren't quite as they seem. The first time Leif Andersen lays eyes on the blond leggy bombshell with eyes like the ocean, he finds himself wanting to drown in them. Just like that, he's a claimed man, but too much of a coward to act on it. He, too, has a troubled past, one he decides will be too much for Cassie to handle. She deserves the world, and he isn't the one to deliver it. Despite doing everything he can to forget her, he can't get past the overwhelming need to protect her. Or shake the feeling there's so much more behind the sassy attitude and smiles. Connor soon shows his true colours, leaving Cassie to not only deal with fresh trauma but come face to face with what she's fought so hard to forget. She has the support of her friends and newfound MC family, but she finds security where she least expects it. Leif is like a god with his tall frame, golden tan, and body to die for, but he's arrogant and full of himself. Or so Cassie thinks. She, of all people, knows you should never judge a book by its cover, but she's guilty of doing just that. She soon comes to realise he's a lot more than his muscles and come-to-bed eyes. He's just like her. He allows the world to see what he thinks they should see, but the secrets he harbours eat away at him from the inside. They've both been hurt. They both have a past they'd like to forget. They have a craving to be loved and the capacity to love deeply. Will Cassie and Leif be able to keep each other from falling to pieces?
