Marine Madness, Dawn Martinez, 2011-03-17

Pam Mawyer was a wild spirit born to travel the world and not spend the rest of her life in Baltimore. Her whole family made up the neighborhood with Aunts, Uncles, Grandmother, and of course her family of six kids. Mom and dad loved the fact that her front door was revolving all the time with relatives coming and going. They were all very close. That was the problem. Pam didn't want to spend the rest of her life in that little neighborhood and never see any of the world. Joining the Marines was her way out of the everyday, loving but dull life she felt she had. Vincent Martinez was as handsome as they come. He should have been outlawed for the good looks he possessed. He was an undercover agent for the N I S. His job was to find the drug dealers in the military, and he would use any means necessary to achieve this, which included the beautiful Pam Mawyer. What he didn't expect was to fall in love.
