## HOW TO PLAY & ANSWERS

**How To:** This is not the traditional family feud game, but an easier version!

You can play this game as individual players OR in teams.

To start, Give all players or teams a set amount of time to fill out their cards or wait until everyone is finished filling out their cards. Use as many cards as you would like depending on how long you want the game to be.

Once everyone is finished filling out their cards, read out the answers and the points. If a player/team's answer matches an answer listed, they get the corresponding amount of points. If their answer is not on the list then the player/team receives 0 points for that answer. Once all the points are given out, the player/teams add up their scores. The highest score wins!

**Lightning Round (optional):** This can be used as a tie-breaker or for the top 3 players. Have the players answer the 3 questions on the lightning round in a pre-determined time of your choosing. The winner of the lightning round is the overall winner!

**Note!** These are **SUGGESTED** answers gathered from various family feud references. The scoring has been simplified by counting down from 10. You may need to adjust your answers or points to work for your own party, but this is to get you started. Have fun!
