## **Falling Fast A Falling Fast Novel:**

**Falling Fast** Tina Waincott, 2015-06-16 Fans of Jasinda Wilder and Colleen Hoover will adore this emotional new small town romance a smoldering tale of first love and long awaited redemption from USA Today bestselling author Tina Waincott Raleigh West works in an auto shop day and night trying to put his broken past out of mind It s been seven years since the fiery crash that landed his teenage sweetheart in the hospital and him in jail In an instant he lost everything his passion for racing his hope of escaping his father s shameful legacy and the only girl he ever loved Raleigh hasn t seen her since that awful night Never got a chance to apologize And never forgave himself either When brave beautiful Mia Wentworth returns to the Florida coast for the first time in what seems like forever it s not to see Raleigh Even so the moment she arrives she can feel his presence like a gust of wind that gives her goose bumps Opening her heart to him again seems impossible But staying away That might be harder still Lucky for them both Mia s never been the kind of woman to take the easy way out Praise for Falling Fast An emotionally charged story about two people with wounded pasts and deeply buried secrets who find their way back to one another New York Times bestselling author Patricia Rosemoor Falling Fast has wonderful characters you ll hold in your heart forever I couldn t stop reading until I found out if these two star crossed lovers would be able to survive all the challenges keeping them apart New York Times bestselling author Kathy Clark Waincott comes back to her roots Her early fans will be happy here with the suspense and mystery that play into secondary plots but romance is the primary vein in this novel This first title in a promising new series will have readers anxiously awaiting the next entries Library Journal starred review The characters are sure to win you over and have you pulling for them to overcome the odds I Smell Sheep Falling Fast was the first novel I have read by Tina Waincott but it definitely won t be my last It was a great romance filled with passion and emotion and it was also a book filled with love forgiveness and the importance of second chances Devilishly Delicious Book Reviews Excellent an amazing new series with lots of heart and hope I Have a Book Obsession Tina Waincott did a really great job of developing the characters and I really liked seeing Mia and Raleigh heal together whilst rekindling their relationship Broc s Bookcase This story ended up taking a completely different turn than I had expected The book starts off as a forbidden love story and it ends up taking a suspenseful turn The author transitioned between the two themes very well by blending Mia and Raleigh s love story together with a ghost from Raleigh s past Wicked Women Book Blog Falling Fast is a lovely tale of lost love and finding your way back to your soul mate It is done with style and grace The story will pull you in and keep you turning pages just to see what happens Bitten by Love Includes a special message from the editor as well as an excerpt from another Loveswept title [Falling Fast](#) Daniel N. Jones, 2026 A unique look at emophilia the tendency to fall in love fast easily and often and the profound impact it has on our lives and the lives of those around us Why do some people fall in love in an instant again and again while others take months or even years Across cultures the concept of love at first sight has captivated us across recorded history We all seem to know at least one hopeless

romantic who falls quickly and easily and while it's easy to dismiss this only recently have we begun to study it from a psychological standpoint. In this book, social and personality psychologist Daniel N. Jones explores the fascinating science behind the tendency to fall in love fast, easily, and often. This groundbreaking book introduces *emophilia*, a powerful but often overlooked personality trait that influences how we connect, commit, and sometimes crash in our romantic lives. It draws upon cutting-edge research to explore topics like why some people are wired for whirlwind romances, risks behind what is known as emotional promiscuity, including infidelity and toxic partners, and impacts on emotional wellbeing. With its fresh lens on love, intimacy, and the psychology of connection, this insightful, provocative, and deeply human book offers a refined understanding of people who fall in love quickly and deeply and sometimes out of love just as fast.

**Falling Faster** Susan Scott Shelley, 2025-02-02 For Ty Allen, a trip to Los Angeles for a comic book collectors convention with his friends is the perfect place for the Buffalo-based artist to hunt down rare issues for his collection and take a much-needed break. When he falls onto a display table, taking it down with him and is saved from bodily injury by a man dressed as a popular comic book character, the trip takes an intriguing turn. One look into the dark eyes and sexy smile of the masked man with the lightning-fast reflexes, and Ty wants to learn more. Rock musician Craig Simms spends his spare time in a mask and a cape, bringing happiness to sick children in LA through his foundation. When he dives in to rescue Ty from a close call with the concrete floor, he ends up wrapped around the cutest guy he's ever seen. As they work together to clean up his wrecked display, he's drawn to Ty's friendly, sweet nature and doesn't want their interaction to end. A whirlwind weekend of chemistry and connection has them free-falling into something bigger than they'd anticipated. Ty is like a perfect melody for Craig's weary heart, and for Ty, Craig shifts every experience from muted tones to vibrant hues. But when the weekend is over and life takes new twists and turns, does what happens at the comic convention stay at the comic convention, or can they find a way to fit into each other's universes?

*Sparks Fly (A fun contemporary romance about the "magic" of falling in love)* Lucy Kevin, Bella Andre, 2011-06 SPARKS FLY is a fun romance about the magic of falling in love. Angelina is a beautiful consultant who practices an ancient art form called Feng Shui. Will is an all-business CEO who doesn't believe anything he can't see and touch. With help from a meddling ex-wife, a well-meaning best friend, and a matchmaking mother, Angelina and Will are about to find out what happens when opposites attract.

*Falling Hard* Tina Wainwright, 2020-07-07 One hot summer night, one bad decision, and two people who should never fall in love. Falling for the girl who accused his brother of rape seven years earlier can only be trouble. Especially when he begins to wonder if she was right. Seven years ago, Gemma tried to clean up her shaky past by dating the clean-cut football captain, brother, instead of the bad-boy racer who revved her heart. But the good brother committed an unspeakable act against her, and when the charges were dropped, she left town. Now she must return to the beach town to help her father recover from an accident and face those who called her a liar and the brother she should have gone for. The one who has everything to lose if he falls for her. What readers are saying about the Falling Fast collection

Falling Hard is the perfect example of going back home to find yourself and maybe love in a world full of second chances New York Times bestselling author Jen McLaughlin Falling Fast is an emotionally charged story about two people with wounded pasts and deeply buried secrets who find their way back to one another New York Times bestselling author Patricia Rosemoor Falling Fast has wonderful characters you ll hold in your heart forever I couldn t stop reading until I found out if these two star crossed lovers would be able to survive all the challenges keeping them apart New York Times bestselling author Kathy Clark

**The Labour Year Book 1916** Fabian society,1916 **The Time It Takes to Fall** Margaret Lazarus Dean,2007-02-06 It is the early 1980s and America is in love with space Growing up in the shadow of Cape Canaveral young Dolores Gray has it particularly bad she dreams of becoming an astronaut At school Dolores finds herself caught between her desire for popularity and her secret friendship with the smartest and most unpopular boy in her class whose father is NASA s Director of Launch Safety At home discord begins to grow between her parents when her father s job as a NASA technician is threatened Looking for escape Dolores loses herself in her scrapbook where she files away newspaper articles about the astronauts and the shuttles weather reports on launch scrubs and stories about her idol Judith Resnik Then on the morning of January 28 1986 seventy three seconds after liftoff the space shuttle Challenger explodes killing all seven astronauts on board including Judith Resnik It is a moment that shakes America to its core and nowhere is it more deeply felt than in central Florida Dolores becomes determined to reconstruct what went wrong both in her parent s marriage and at NASA in the hope that she can save her father s job and keep her family together The Time It Takes to Fall is a coming of age novel that deftly weaves the story of one family s drama into the larger picture of a touchstone event in American history It is at once an intimate look at a young girl s loss of innocence and a portrait of America s loss of innocence the end of an era that romanticized manned space flight and would never be the same again
