

Health Check Billing Guide for Providers

All preventive or well-child services except normal newborn care in the hospital must be billed under the Health Check program following the policies and procedures as outlined in Peach State Health Plan Provider's Manual and Georgia Medicaid Health Check Manual. The Georgia Medicaid Health Check Manual is updated quarterly at minimum but may be updated at any time based on change requests. Providers should check the Health Check Manual regularly for changes.

Health Check is reimbursed as a package of services including age-appropriate vision and hearing screenings, and hematocrit testing.

The Early and Periodic Screening Components of EPSDT

All components for the Health Check exam should be provided as outlined in the Georgia Medicaid Health Check manual. The screening services components consist of:

- A comprehensive unclothed physical examination (unclothed means to the extent necessary to conduct a full, age-appropriate examination)
- A comprehensive health and developmental history
- Developmental appraisal (including mental, emotional and behavioral)
- Anticipatory guidance and health education, measurements
- Dental/Oral Health Assessment
- Vision and hearing test
- Certain laboratory procedures and lead risk assessment.
- Immunizations as needed (should be given at the time of screening services as appropriate)

All of the age appropriate components per the periodicity tables located in the Georgia Medicaid Health Check manual and must be completed and documented for each screening as appropriate. All preventive/well-child services, except normal newborn care in the hospital, must be provided under the Health Check program following the policies and procedures as outlined in the Georgia Medicaid Health Check manual.
