1. Details of Recommendations

The Audit Committee is asked to agree the following:

- Approve the Anti-Money Laundering Policy and the designation of the Head of Internal Audit as the appointed Money Laundering Reporting Officer

If the recommendations are adopted, how will residents benefit?

Implementation of risk sensitive policies to maintain high standards of conduct within the Council by preventing criminal activity through money laundering.

Anti-Money Laundering Policy, communication and training.

2. Report Summary

Historically, legislation to tackle the laundering of proceeds of crime was aimed at the financial and investment sector. However, it was subsequently recognised that those involved in criminal conduct were able to 'clean' criminal proceeds through a wider range of businesses and professional activities.

The Proceeds of Crime Act 2002 (as amended by the Serious Organised Crime and Police Act 2005), the Money Laundering Regulations 2007 and the Terrorism Act 2000 (as amended by the Anti-Terrorism, Crime and Security Act 2001) broaden the definition of money laundering and increase the range of activities caught by statutory controls. They also imposed obligations in respect of money laundering. These impact on certain areas of the local authority business and require the Council to establish internal procedures to prevent the use of their services for money laundering.
