

SAFETY PRECAUTIONS

1. GENERAL

The instructions contained in this service manual are for information and guidance of service personnel who are responsible for overhaul and repair of the machine. In this manual, use of terms left, right, front and rear must be understood to avoid confusion when following instructions. These terms indicate sides of machine when facing forward in operator's seat.

Due to a continuous program of research and development, some procedures, specifications and parts may be altered in a constant effort to improve this machine. Some illustrations are of a general application and may not show component parts accurately in all details.
