*Heads-up Baseball* Ken Ravizza, 2016      Heads-Up Baseball Ken Ravizza, Tom Hanson, 1995-06-01 This book provides practical strategies for developing the mental skills which help speed you to your full potential Dave Winfield What does it mean to play heads up baseball A heads up player has confidence in his ability keeps control in pressure situations and focuses on one pitch at a time His mental skills enable him to play consistently at or near his best despite the adversity baseball presents each day My ability to fully focus on what I had to do on a daily basis was what made me the successful player I was Sure I had some natural ability but that only gets you so far I think I learned how to focus it wasn't something that I was necessarily born with Hank Aaron Developing and refining my mental game has played a critical role in my success in baseball For years players have had to develop these skills on their own This book provides practical strategies for developing the mental skills that will help speed you toward your full potential Dave Winfield      Ring the Bell Kevin Reavy, Jack Fritz, 2025-07-29 Ralph Waldo Emerson famously said It's not the destination it's the journey He must've been a Phillies fan The Philadelphia Phillies a franchise nearly 150 years old has only reached its grand destination twice World Series wins in 1980 and 2008 but it harbors the most fervent fan base in baseball How Well Olive Garden famously said When you're here you're family The Phillies warts and all have been an inextricable part of the city and the lives of the fans who cheered them on The team's story is part of our story This book is an encyclopedia of sorts but it's more of a family history We won't get too deep into the really old stuff Let's face it While I'm sure the 1915 World Series loss was painful no one's calling local sports radio to curse the name of Eppa Rickey We'll mostly delve into the memories that formed this generation's deep bond with its ballclub the kinds of happenings good and bad that somehow manifested an unrivaled home field advantage At any game in any city a stadium media crew can ask its fans to scream as loudly as possible but they can't make them care The Phillies have the best home edge in baseball because through it all the fans never stopped caring This book will cover the moments and emotions of being a Phillies fan from every perspective the players coaches front office fans etc Phillies fandom is a family and this is our collective history      *Black Baseball's Last Team Standing* William J. Plott, 2019-08-06 The Birmingham Black Barons were a nationally known team in baseball's Negro leagues from 1920 through 1962 Among its storied players were Hall of Famers Satchel Paige Willie Mays and Mule Suttles The Black Barons played in the final Negro Leagues World Series in 1948 and were a major drawing card when barnstorming throughout the United States and parts of Canada This book chronicles the team's history and presents the only comprehensive roster of the hundreds of men who wore the Black Barons uniform      *New Bulletin* Cincinnati (Ohio).
