Background and Introduction to *Hotel Rwanda*

Hotel Rwanda is a 2004 docudrama film that stars Don Cheadle and Sophie Okonedo as hotelier Paul Rusesabagina and his wife Tatiana. Based on the Rwandan genocide, which occurred during the spring of 1994, the film documents Rusesabagina's efforts to save the lives of his family and more than 1,000 other refugees by providing them with shelter in the besieged Hôtel des Mille Collines. *Hotel Rwanda* explores genocide, political corruption, and the repercussions of violence. Sharing his thoughts about the lack of international intervention during the crisis, director Terry George commented, "It's simple: African lives are not seen as valuable as the lives of Europeans or Americans."

In 1999, Rusesabagina received a phone call from an American screenwriter named Keir Pearson. Pearson, along with his colleague Terry George, went on to write the script for *Hotel Rwanda* in consultation with Rusesabagina. The film was a co-production between United Artists and Lions Gate Films, and was commercially distributed by United Artists theatrically and by Metro-Goldwyn-Mayer for home media. *Hotel Rwanda* premiered in theaters in limited release in the United States on 22 December 2004 and in wide release on 4 February 2005, grossing more than \$23 million in domestic ticket sales and \$10 million internationally. The film was nominated for multiple awards, including Academy Award nominations for Best Actor (Cheadle), Best Supporting Actress (Okonedo), and Best Original Screenplay. *Hotel Rwanda* currently has a 91% fresh rating on Rotten Tomatoes with the following critics consensus: "A sobering and heartfelt tale about massacre that took place in Rwanda while most of the world looked away." The producers of the film partnered with the United Nations Foundation to create the International Fund for Rwanda, which supported United Nations Development Programme initiatives assisting Rwandan survivors. "The goal of the film is not only to engage audiences in this story of genocide but also to inspire them to help redress the terrible devastation," said George.
