Corps of Engineers Laboratory, Investigational, Research and Testing Facilities United States. Army. Corps of Engineers,1985 **Monthly Catalog of United States Government Publications** ,1990 **International Water Power & Dam Construction Handbook** ,1993 Advances in Groundwater Governance Karen G. Villholth,Elena Lopez-Gunn,Kirstin Conti,Alberto Garrido,Jac Van Der Gun,2017-12-14 This book addresses groundwater governance a subject internationally recognized as crucial and topical for enhancing and safeguarding the benefits of groundwater and groundwater dependent ecosystems to humanity while ensuring water and food security under global change The multiple and complex dimensions of groundwater governance are captured in 28 chapters written by a team of leading experts from different parts of the world and with a variety of relevant professional backgrounds The book aims to describe the state of the art and latest developments regarding each of the themes addressed paying attention to the wide variation of conditions observed around the globe The book consists of four parts The first part sets the stage by defining groundwater governance exploring its emergence and evolution framing it through a socio ecological lens and describing groundwater policy and planning approaches The second part discusses selected key aspects of groundwater governance The third part zooms in on the increasingly important linkages between groundwater and other resources or sectors and between local groundwater systems and phenomena or actions at the international or even global level The fourth part finally presents a number of interesting case studies that illustrate contemporary practice in groundwater governance In one volume this highly accessible text not only familiarizes water professionals decision makers and local stakeholders with groundwater governance but also provides them with ideas and inspiration for improving groundwater governance in their own environment Monthly Catalogue, United States Public Documents ,1990-05 *Annual Report - Institute for Water Resources* U.S. Army Engineer Institute for Water Resources,1978 **Doing Business In Ghana** John E. Spillan,Domfeh Obed King,2017-07-19 This book provides a thorough perspective on the realities of doing business in Ghana outlining the economic social technological and cultural dimensions of the society It offers insight for entrepreneurs into the region s markets based on GDP growth political and governmental systems relationships with investors and other factors Considered a beacon of hope for Africa Ghana is a country with a competitive labor force stable political environment and lots of economic opportunities for new business ventures This book will offer academics a good understanding of the major issues affecting business development in Ghana and inform students scholars managers and leaders on the paths necessary to pursue launching a product or service in Africa *Energy Abstracts for Policy Analysis* ,1980 **The International Journal on Hydropower & Dams** ,2004 *Displacement and Resettlement in India* Hari Mohan Mathur,2013-07-18 In the past ten years or so displacement by development projects has gone on almost untamed under the globalization pressures to meet the demand for land from local and increasingly foreign investors Focusing on India this book looks at the complex

issue of resettling people who are displaced for the sake of development The book discusses how the affected farming communities are fiercely opposing the development projects that often leave them worse off than before and how this conflict is a matter of serious concern for the planners as it could discourage potential capital inflows and put India's growth trajectory into jeopardy It analyses the challenge of protecting the interests of farmers and at the same time ensuring that these issues do not hinder the path of development The book goes on to highlight the emerging approaches to resettlement that promise a more equitable development outcome A timely analysis of displacement and resettlement this book has an appeal beyond South Asian Studies alone It is of interest to policy makers planners administrators and scholars in the field of resettlement and development studies
