A cartoon lion with a large, shaggy brown mane and a friendly expression is holding a white rectangular sign with its front paws. The sign displays the multiplication equation  $5 \times 7 = 35$ . The lion is positioned in the center of the page, with its head and paws visible. The background is a vibrant blue at the top, transitioning to a red area with faint mathematical symbols like numbers and the plus sign, and finally to a green area at the bottom representing grass. Two yellow pencils with pink erasers and sharpened tips are lying on the green grass in front of the sign.
