Angela Mah, 2024-03-29 Every person has a unique life story and a relationship with God that is theirs alone Angie has reflected on her spiritual journey and found that if you take the time to look to God and ask for support surprising revelations and events occur Angie's story is an illustrated story describing events from childhood to mid life She has continually searched for meaning and purpose in her life and thought that being a professional engineer would provide that for her but she always felt unsatisfied It was not until the occurrence of several significant events throughout her life that her search for meaning and purpose would lead her on a spiritual journey for answers She shares her life story with readers to help them reflect on their own life's events to find meaning and purpose Each of us must reflect on all the good and bad events in our lives and see the bigger picture God has in store for us Life's events are not always a large spectacular miracle but a life of small events that culminates into something grand for each person You can find your own meaning and purpose through faith in God the Bible and prayer and meditation
