With oil prices soaring and the 20 to 40 set looking for alternative means of commuter and weekend cruising, travel motor scooters have exploded across the United States. In 2001, less than 30,000 scooters cruised U.S. roadways. In 2005, over 100,000 are road bound, and the number is growing by double digits each year. Beginning at 1,000 and ranging up to over 5,000, dozens of models of scooters are available, as are thousands of accessories. And scooter clubs meet from San Diego to Bangor, Maine. Every year, the largest gathering of motor scooters takes place in Indianapolis, speed capital of the world.
