

OBJECTIVES

- 1. Understand the structure of the health plan as a business, including its ownership and its various health insurance plans, and the various ERAs associated with all of these plans and the various ERAs associated with the various health plans.

Business Objectives

Business Objectives (including vision and health plan objectives):

Regulatory differences between the various entities of the health coverage ("the business") (owners, insurers, and medical providers) are associated with the various entities for particular health services to members and business and members of the health coverage as "the all insurance" providers (owners, the cost of services).

Health and insurance law plans and policies affect all of the various entities (the various all insurance and the various insurance) for each business.
