Susie and Allison were best friends They planned to grow old together two grumpy old ladies on a crooked front porch but fate had other plans Allison fell ill with cancer Although they both knew the prognosis was not good they pressed forward with treatments and hope Hope sustained them for a while but the treatments didn't work Susie was forced to watch her best friend sicken suffer and ultimately die After losing Allison Susie feels as though she's losing her mind They call it a nervous breakdown and Susie is happy to believe the doctors and move on except something has changed Somehow Susie can hear and communicate with Allison She suspects she really might have gone mad but soon the two friends realize they've bridged a miraculous gap between the living and the dead Together they travel through the afterlife on either side of the divide Through Allison's observations the two brave friends are able to seek out the meaning of their lives solve the mystery of death and forge a friendship that will last until eternity Cancer took Allison away hope returned her to Susie Their voyage is one of wonder and self discovery but most of all it is a story of devoted and never ending love      *Study Guide for Fundamentals of Nursing - E-Book* Geralyn Ochs, 2025-02-17 Get the most from your fundamentals course with the Study Guide for Fundamentals of Nursing Corresponding to the chapters in Fundamentals of Nursing 12th Edition this completely updated study guide helps reinforce your understanding of key nursing concepts through review questions exercises and learning activities Next Generation NCLEX style question types and brief case studies help you study and prepare for your exams at the same time UPDATED Content coordinates with the Fundamentals of Nursing 12th Edition textbook Next Generation NCLEX NGN style questions in most clinical chapters help you develop clinical judgment and prepare for items you will see on the NCLEX Brief case studies for every chapter challenge you to apply the knowledge you have gained These are in addition to the case studies already presented in the text chapters and are separate from the NGN style questions Comprehensive Understanding sections cover the entire chapter in detail helping you master the content Preliminary Readings refer you back to the related text chapter Alternate question items help you prepare for the kinds of questions you will see on the NCLEX exam Critical Thinking Model exercises help you develop a systematic framework for learning Multiple choice review questions evaluate your comprehension of key chapter objectives      *Resources in Education*, 1995
