In The Land Of Birdfishes Rebecca Silver Slayter,2013-04-16 A remarkable novel about myth making and survival In the Land of Birdfishes opens in rural Nova Scotia where twin sisters witness the death of their wild beautiful mother Their father sick with grief blindfolds them to shield them from the misery of the world Left that way for years each sister is scarred in

her own way Mara is rendered fully blind Aileen partly so When a neighbour discovers their condition the girls are immediately separated for treatment It isn't until decades later after Aileen's marriage has fallen apart that she decides to seek out her lost sister She heads to Dawson City Yukon where Mara is rumoured to be living but she instead finds Mara's twenty-four-year-old son Jason a sullen gold miner with a reputation for violence and lies As the summer unfolds Aileen slowly earns her nephew's trust and unravels the tangle of stories he tells her unearthing at last the secret of what happened to her sister Hypnotic haunting and compelling *In the Land of Birdfishes* builds inevitably to a shocking and heartbreaking conclusion

St. Nicholas Mary Mapes Dodge, 1919 Three Screenplays Ramchandran, 2025-12-26 These screenplays were first born as pieces of short plays based on my notes They remained as manuscripts for long I took up the task of completing them as full-scale screenplays quite late They are here now in some final shape after many revisions The content of the screenplays are very relevant for our present times They deal with issues which are very rarely dealt with in our films That makes these screenplays unique in their own way I would surely like some filmmaker to notice the value of these screenplays and convert them into films
