For His Name Yeshua:

The Book of Mysteries Jonathan Cahn, 2016 A traveler goes on a year long journey with a man known only as The teacher and absorbs a new teaching on spiritual truths for every day of the year **For His Glory** Joshua Olumoye, 2023-10-11 I wondered why God waited for the 3 Hebrew boys to be thrown to the fire before he showed up but at the end of the story his name was glorified by the king and the whole nations In that battle you think will never end God waiting so he can be glorified In everything God want to be glorified God does not participate in anything that will not glorify him even in our deliverance Yeshua Is His Name Louis Obioha Eke, 2021-01-13 The work Yeshua is His Name offers a theological exposition to the loss of the name of the Savior in translation down through the ages The narrative searches the contours of recorded history contextualized in Scriptures shedding light on how the correspondence of the Savior s immutable name undermines the sanctity of our faith The book challenges the age old orthodoxies of biblical language adaptation and creates a spiritually healthy space for understanding the implication of calling Him by a name given by man and not God What the book does not endorse is the denial of the wisdom of Christian sages It also does not demand condemnation of the English name Jesus However the book presents an opportunity for dialog and a sense of re discovery and renaissance about the immutable name of the son of God bestowed only by the Father Adonai Recorded history suggests the earliest lost gospel writings about the Savior original Hebrew Papyri scrolls hold the key to any clear understanding of what name the Savior was called by his Jewish community and the disciples While we may never know with absolute certainty what specific Hebrew Aramaic name He was called we know without a doubt that canonized scripture shows He was called Yeshua It is the mission of this book to show the proof and the facts as they are Variations of discovered parchment scrolls 1947 56 i e deuterocanonical texts Jewish Christian gospels present theo historic narratives as does the present day Bibles that leave significant trails precedents and prophetic declarations of the name given by God to His begotten son Other writings external to scripture also show how the name was lost in translation **The Supernatural Ways of God** Duncan Katende Ndugwa, 2022-11-21 The supernatural Ways of God are to be desired as they are higher in the spiritual realms than our ways The Way of the Lord is one of these supernatural ways It was hidden by the cherubim in the garden of Eden guarded by Abraham and later revealed by Jesus Christ The Way of the Lord is the main ingredient of the gospel of Christ The book is a journey of discovery on how God made one of his ways available for us to go as high in the realms of God as his ways and transform our thoughts to be like his thoughts **NEW TESTAMENT CONTEXTUAL COMMENTARY** Dr. Robert R. Seyda, 2024-05-16 Here John advises us that loving one another is not an option or a suggestion it is a commandment John doesn t want any believer to become like Adam and Eve s firstborn Cain That happened because Cain was under the influence of Satan This is therefore a warning not to mess with the world So what if they hate us We are bound for everlasting life in the presence of God That s why death has no power over us And that s why if our

thoughts do not tell us that we are guilty we will not be afraid to come to God We can pray to God and we can ask Him to help us He will give us what we ask Him for That is because we obey His commands and we do the things that please Him Furthermore we should all love each other because God makes us able to love other people Everyone who loves other people confirms our claim to be a child of God If anyone says clearly that Jesus is the Son of God God lives in that person And that person lives together with God We know the kind of love that God has for us That s why if we love God we will not be afraid of Him So how do we know that we love God s children We know it when we love God and we do what He tells us to do

For His Name Yeshua Rebecca Hazelton,2014-02-17 If you are a person who does not simply accept what you ve been taught then this book is for you If you love to dig into the Holy Scriptures to do research and to find original meanings of words and if you like to study history both to understand the Biblical culture and the Christian culture of today then you will enjoy what you find here You are invited to be spiritual archeologists to carefully uncover what is missing in our understanding of Yeshua and His Name things that have gotten lost in translation in transliteration and in tradition What you discover will ignite a fire in your spirit to continue digging to really know Yeshua from the Tribe of Judah and the House of David the Savior of both Jews and Gentiles to know the depth of the meaning of His real Name and to know the richness of the Hebrew culture He designed This excavation is for tearing down restoring and rebuilding Life will come out of dead stones which will shout in praise to YHVH the Eternal God

From Plague to Purpose Joshua Taylor,2022-11-18 Pilgrimage has been a part of Christian experience since biblical times Creating new stories pilgrimage affords sacred travelers experiences that transcend nationalism denominational identity and cultural borders melding their individual constructs of meaning with communal experiences to create new insights On these pilgrimages music has played a

significant role in the development of community While pilgrimage is an independent act it is also a shared existence with other pilgrims with music serving as a bridge between these two realities With an estimated 100 million people undertaking pilgrimages at the beginning of the twenty first century the rediscovery of pilgrimage and the music that accompanies it has meaningful connections for the postmodern church struggling to find a new identity The ecumenical communities at Iona and Taiz provide particular case studies for the role of music in forming community among disparate travelers The individual and communal nature of pilgrimage the ability of pilgrimage to provide commonality in a diverse society and the role of singing and traveling music calls for the reexamination of this ancient practice for the postmodern church

The Jewish Concern for the Church Christine Graef,2017-03-09 The voices of Messianic rabbis and believers have been collected in this volume to share concerns about the gap that remains between Jews and the church For the past fifteen centuries the church has been predominantly Gentile Jews of faith were not considered Jews but as converted Today as Messianic congregations multiply and church denominations try to find their way back to the original principles of the early church the church is challenged to repair this relationship deepen its understanding of the apostles vision of one new man and be edified by the meaning in appointed observances that extended to graft in the wild olive branches For he himself is our peace who has made the two groups one and has destroyed the barrier the dividing wall of hostility Eph 2 14 [e-Jeanne: 2004 \(Part Two: July through December\)](#) Jeanne Halsey,2013-02-19 e Jeanne was a precursor of currently popular blogs although we called her an e zine She was assembled early in the morning right after my morning devotions in fact I realize that many of my morning devotions somehow crept into the e Editorials and then forwarded by e mail to over 300 people all around the world I did this two or three days a week for 10 years Like I said maybe I am a little crazy 2004 was a lengthy year filled with commentary about the impending American Presidential Election yes George W Bush won again fluctuating health issues and much sharing of prayer requests and praise reports among the faithful and beloved Readers 2004 was so long that I had to split it into two books this is Part Two covering July through December Like its sister books e Jeanne 2004 Part Two comes out looking like a fair sized phone book you ll need strong arms and strong hands to hold it while reading and I strongly suggest you have a sturdy bookmark
