Who Rules South Africa? Martin Plaut, Paul Holden, 2012-06-14 In this timely work WHO RULES SOUTH AFRICA highly regarded authors Paul Holden and Martin Plaut analyse the political elites that battle daily for power in South Africa They argue that power does not reside in traditional institutions such as Parliament or even the Cabinet

Rather power lies within the ANC led Alliance which with no founding document and no written constitution is an unstructured and mutable political hydra with business and criminal elements in close attendance It is the interaction between these forces which is the real story behind post apartheid South Africa In a country where poverty is rampant and institutions are weak the battle for power is set to intensify The authors unravel the mystery of how the rainbow nation has reached such a pass What are the origins of the Alliance and will it survive the current power struggles Who are the shadowy forces that operate within or alongside the Alliance Most importantly they seek to answer the burning question of whether South Africa is destined to become another African tragedy or whether there is still the promise of growth and a stable democracy Questions and Replies of the National Assembly South Africa.
