Langworth, 1994

Mercedes-Benz Richard M. Langworth, 1984 **Mercedes-Benz** Paul W. Cockerham, 1998 Over 90 illustrations Mercedes Benz has long been identified with luxury and quality This informative volume about the distinguished manufacturer details the steady rise of a motorcar giant which succeeded by matching superior technology with driving style over a century of change From the Gullwing Coupe to the Boattail Speedster and from the remarkable SLs to the recent SLK the Mercedes Benz image of reliability and refinement has remained intact With over 90 full color photographs the story of this remarkable automobile comes vividly to life *MERCEDES-BENZ, the Modern SL Cars, the R107 and C107* Bernd S. Koehling, 2015-08-11 You haven't gotten yourself a R107 yet Too bad the good ones can cost a small fortune today and they have only one way to go UP But don't worry plenty of them have been built and plenty of them are still around Problem is which one is the right one for you Can you imagine that even a low mileage good looking R107 can still far exceed your wildest imaginations when it comes to restoration costs Everybody seems to want a late model 560SL Why not an early 450SL for half the money The joy and pride of ownership is the same trust me Or how about one of the former longtime underdogs an SLC Also they start to appreciate a few of them even very fast faster than a mint 560SL If any of this is of interest then this new book published already earlier as e book is for you It does not only deal with development and history it also comes with a comprehensive buyer's guide for both the SL and SLC This includes a look at their price development over the past years Another focus has been the VIN and data card so that you have a better understanding how they were equipped and to which market they have been shipped first Superb recent photography from the author's collection can help

you to find the right car or it might even serve as reference in a restoration project Naturally the paint and interior upholstery options full technical details plus the annual production history of each model are covered As a bonus rare insights into the R107 s almost unknown rally history are given FREE BONUS When you have bought this book you are eligible for a free pdf file of any Mercedes model such as W111 or W198 or R107 for example the author has covered in one of his books Please contact the author through his website inside the book and stipulate which free pdf file you want him to send to you
