Guide to Weight Lifting Competition Bob Hoffman, 1945

The Complete Guide to Lifting Heavy Weights Geoffrey K. Platt, 2013-05-30 This is the definitive book for fitness professionals, coaches and sportspeople using or supervising the use of heavy weights. Heavy weights are very popular in gyms but there is a lack of supervision and good instruction. This is not only dangerous to the gym user but also bad news for the gym and it prompted the Register of Exercise Professionals (REPS) to authorise a range of new courses designed by the book's author. The Complete Guide to Lifting Heavy Weights is required reading for students taking these courses and an essential guide for anyone who works with or supervises the use of heavy weights. As with all titles in the Complete Guide series it is packed with information, tips, strategies and training plans from beginner level through to advanced. This applies to those who wish to build body strength and bulk as well as people wanting to improve their performance in a range of other sports. Well illustrated and authoritative it covers everything you need to know to deal with heavy weights safely and successfully.
