		MODELLING	SHARING	GUIDING	APPLYING
Degree of Control	Role of the Teacher	The teacher demonstrates while thinking aloud the processes used.	The teacher provides the direction and invites the students to participate.	The teacher scaffolds help and provides support and corrective feedback.	The teacher offers support and encouragement as necessary
	Role of the Student	The students participate by actively attending to the demonstrations.	Students contribute ideas and information. Decision making is negotiated between teacher and student.	Students do work with help from the teacher or other sources at pre-determined points.	Students work independently. They are in control of the ideas and the information.
