INSTRUCTIONS:

ASSESSMENT PAPER	<ol style="list-style-type: none"> Read each question carefully and look at the mark allocation to guide your response. Answer all questions in English, except for the language modules. The language to use when answering the questions for the language modules will be stated in the front matter, e.g., answer in Afrikaans/In Khosha/In Zulu/In Sepedi/In Setswana. Attempt to complete all questions. Do not leave questions unanswered. Even though you will be using your CLG, core readings and other sources to find the answers to the questions, you must make sure that the answers you provide in your submission are written in your own words. If you reuse information from any source using the exact words of that source, it will be flagged as plagiarism. Using artificial intelligence (such as ChatGPT) to produce content and images and then represent these as your own work is considered a serious integrity that will be penalised accordingly. Include in-text references where applicable (including referring to the CLG), as you will have to declare your sources at the end of the paper. This list must be made in accordance with the Harvard-style Referencing Guide employed by SANTS, which is provided as an additional resource for your module. Refer to the Student Orientation Booklet in the Student Orientation Module regarding the information on referencing and plagiarism.
SUBMISSION	<ol style="list-style-type: none"> Use a separate document to plan your rough answers. Please note, however, that you will not be able to copy and paste those answers into your assessment. You will have to retype your answers. Please note that online submissions should be conducted through your laptop computer, desktop computer, or tablet. If possible, avoid the use of your cell phone. The preferred web browser to use is Google Chrome, but Firefox and Edge also work. Carefully check each response before submitting your assessment. Please take note that only one submission per student will be allowed. No resubmissions will be possible. Please submit your assessment well in advance to avoid any personal or network-related challenges.
SUPPORT	<ol style="list-style-type: none"> Should you experience any challenges, contact SANTS using any of the communication channels available on your MySANTS Dashboard. Support is ONLY available from 8:00 to 18:00 on weekdays.
