Hunted Sinners 2:

Hunted Kevin Lewis O'Neill, 2019-09-15 It's not a process one pastor insisted rehabilitation is a miracle In the face of addiction and few state resources Pentecostal pastors in Guatemala City are fighting what they understand to be a major crisis Yet the treatment centers they operate produce this miracle of rehabilitation through extraordinary means captivity These men of faith snatch drug users off the streets often at the request of family members and then lock them up inside their centers for months sometimes years *Hunted* is based on more than ten years of fieldwork among these centers and the drug users that populate them Over time as Kevin Lewis O'Neill engaged both those in treatment and those who surveilled them he grew increasingly concerned that he too had become a hunter albeit one snatching up information This thoughtful intense book will reframe the arc of redemption we so often associate with drug rehabilitation painting instead a seemingly endless cycle of hunt capture and release

Haunted Empire Valeria Sobol, 2020-09-15 *Haunted Empire* shows that Gothic elements in Russian literature frequently expressed deep set anxieties about the Russian imperial and national identity Valeria Sobol argues that the persistent presence of Gothic tropes in the literature of the Russian Empire is a key literary form that enacts deep historical and cultural tensions arising from Russia's idiosyncratic imperial experience Her book brings together theories of empire and colonialism with close readings of canonical and less studied literary texts as she explores how Gothic horror arises from the threatening ambiguity of Russia's own past and present producing the effect Sobol terms the imperial uncanny Focusing on two spaces of the imperial uncanny the Baltic north Finland and the Ukrainian south *Haunted Empire* reconstructs a powerful discursive tradition that reveals the mechanisms of the Russian imperial imagination that are still at work today Open Access edition funded by the National Endowment for the Humanities
