

Rakesh was working as Joint Commissioner in Transport Department of a city. As a part of his job profile, among others, he was entrusted with the task of overseeing drivers' union of City Transport Department. A case of strike by the driver who died on duty while driving the bus came up before him for decision in the matter.

He gathered that the driver (deceased) was plying Bus No. 528 which passed through busy and congested roads of the city. It so happened that near an intersection on the way, there was an accident involving the bus and a car driven by a middle-aged man. It was found that there was altercation between the driver and the car driver. Heated arguments between them led to fight and the driver gave him a blow. Lot of passerbys had gathered and tried to intervene but without success. Eventually, both of them were badly injured and profusely bleeding and were taken to the nearby hospital. The driver succumbed to the injuries and could not be saved. The middle-aged driver's condition was also critical but after a day, he recovered and was discharged. Police had immediately come at the spot of accident and FIR was registered. Police investigation revealed that the quarrel in question was started by the bus driver and he had resorted to physical violence. There was exchange of blows between them.

The City Transport Department management is considering of not giving any extra compensation to the driver's (deceased) family. The family is very aggrieved, depressed and agitated against the discriminatory and non-sympathetic approach of the City Transport Department management. The bus driver (deceased) was 52 years of age, was survived by his wife and two school-college going daughters. He was the sole earner of the family. The City Transport Department workers' union took up this case and when found no favourable response from the management, decided to go on strike. The union's demand was two-fold. First was full extra compensation as given to other drivers who died on duty and secondly employment to one family member. The strike has continued for 10 days and the deadlock remains.
