Le Singe De Buffon:

Le singe de Buffon Laure Bazire, Flore Talamon, 2005 1750 Pierre un jeune paysan français rencontre une bête jusqu'alors inconnue un singe Cet animal est protégé et tuer par Buffon Ce célèbre scientifique labore de nouvelles théories sur la nature de l'homme qui contredisent les croyances de l'Eglise Dans la lutte qui s'engage certains veulent voir ce singe mort et ses restes disparus Buffon charge alors Pierre de veiller sur le singe

Science in the Nursery Laurence Talairach-Vielmas, 2011-01-18 This edited collection aims to examine the popularisation of science for children in Britain and France from the middle of the eighteenth century to the end of the Victorian period It compares and contrasts for the first time popular science works published at the same time in the two countries focusing both on non-fictional and fictional texts Starting when children's literature emerged as a genre to the end of the nineteenth century it addresses the ways in which popular science for children engaged with wider debates and issues concerning such topics as gender or religion Each individual essays brings home how children's literature revealed contemporary tensions which professional scientists confronted The wide range of scientific topics examined from physics and astronomy to natural history and anthropology offers a large spectrum of types of popular science works for children
