Ollek, 2008-08 This book chronicles God's involvement with America in the past up to the present times While researching America's birth it is easy to witness the hand of God working through faithful men to help create the foundations of this great country This is easily demonstrated through the words of the Founding Fathers and the miraculous victory of a small rag tag militia over the world's greatest superpower of the day Great Britain The author also demonstrates amazing parallels between the formation of this country and God's work in the creation of Israel in the days of David and Solomon During the middle 1800s many religions and philosophies began to pervade the American consciousness Many cults found their growth out of this time period and the world was reshaped by the philosophical outgrowth of Darwinism and his godless explanation of the evolution of life Eugenics followed on the heels of Darwinism which set the stage for the bloodiest century in the history of humanity This paradigm shift in the American consciousness reached its full fruition in the creation of the Federal Reserve the Great Depression and the carnage of WWI and WWII Humanity's answer to the carnage of WWII was not to repent to a Holy God but to create the foundation of a One World Superstate known as the United Nations The United Nations will never be able to achieve its stated goal as long as the United States is more powerful than this organization Nevertheless since the U.S. has drifted so far from God's word we find that the ultimate fate of our country is sealed by our revelations of God and His judgment You will be amazed to discover just how much the bible has to say about America's future **D and B Million Dollar Directory**, 2011 *LexisNexis Corporate Affiliations*, 2007 *Ward's Business Directory of U.S. Private and Public Companies*, 2009 **Standard & Poor's Register of Corporations, Directors and Executives** Standard and Poor's Corporation, 2003 This principal source for company identification is indexed by Standard Industrial Classification Code geographical location and by executive and directors names [National E-mail and Fax Directory](#), 1998 **D & B Million Dollar Directory**, 2010 **Report to the Community** Aims Community College, 2015 [Ward's Business Directory of U.S. Private and Public Companies 1997](#) Gale Group, Edgar, 1996-09 Highly recommended Choice New Edition Since 1960 Ward's Business Directory has been a standard reference for professionals seeking an easy to use source of current verified data covering 120,000 U.S. companies more than 90% of which are privately held Ward's helps you analyze markets assess competition find clients target promotions examine company backgrounds form business partnerships recruit new talent and more Vols 1-3 Complete company information arranged alphabetically Vol 4 Geographic
