

# 76 Trombones Minus 72\*

(Trombone Quartet)

*Andante*

LEONARD B. SMITH

1st Trombone (Baritone B.C. 1)

2nd Trombone (Baritone B.C. 1)

3rd Trombone (Baritone B.C. 1)

4th Trombone (Baritone B.C. 1)

*Andante Cadenza*

\* The intended effect of this piece is to exhibit to the audience a great sense and control in ensemble playing, with special attention given to the phrasing and overall expression. In the third measure of "76", it is to be thought the 7th part has suddenly "disappeared" for good. It appears to him the performance with a 75th part and then, needs to the development of his colleagues. However, this quality shows the example of "1" and then there is, in measure 7 "10", again, using the slide to full advantage. To give a added interest, the players can bridge between both measures to simulate the slide trombone, such as sliding forward when the slide is in full or 75 position and bending backward when returning the slide to 1st or 2nd position.

## I Minus 72
