

Long, long ago, an evil dragon terrorized the forest until it was imprisoned by a powerful wizard. Now, years later, the dragon has revived and it's up to you to use the power of the wizard's descendants, the Dragonfamily, to defeat the dragon once again.

The whole family takes part in this action adventure as the parents, children and even the family pet search huge dungeons for gold, keys, magic, hidden crowns and finally the magical sword that can defeat the dragon.

Can you recover the lost crowns that will prove you worthy to wield the magical sword?
