New for 2015-2016

The average of the team test score will now be counted as part of the final score for the team. The rating sheet has been updated.

- Purpose:** To encourage HOSEA members to analyze the problem solving process and to work as a team to apply their problem solving skills in creating a solution to a hypothetical health or HOSEA-related problem.
- Description:** This event will involve two rounds of competition. Round One will consist of a written test to evaluate the team's understanding of problem solving processes and theories. The top scoring teams will advance to Round Two and will be given a potential problem related to HOSEA, a health issue or the health community. Teams will have 30 minutes to analyze the problem. Selected resource materials related to the problem will be provided. At the end of the preparation time, teams will have eight (8) minutes to present their solution to a panel of judges.
- Dress Code:** Competitors shall wear the HOSEA uniform or proper business attire. Bonus points will be awarded in both rounds for [proper dress](#). All team members must be properly dressed to receive bonus points.
- Rules and Procedures**
1. Competitors in this event must be active members of HOSEA in good standing in the category in which they are registered to compete (Secondary or Postsecondary/Collegiate).
 2. Competitors must be familiar with and adhere to the "[General Rules and Regulations of the National HOSEA Competitive Events Program \(GRN\)](#)."
 3. Teams must be composed of three (3) or four (4) members.
 4. **Round One Test Instructions:** Each team will be evaluated in Round One by a fifty (50) item multiple choice written test. Competitors will be given sixty (60) minutes to complete the test, which will be administered during the event presentation session. **No proctors are allowed for this event.** Team scores will be averaged to determine who will qualify for Round Two. The averaged scores will be added to the final solution presentation for a final tally.
