For questions 1–8, read the text below and decide which answer (A, B, C or D) best fits each gap. There is an example at the beginning (0).

Mark your answers on the separate answer sheet.

Example:

0 A presents B appears C springs D lends

0 A B C D

Essential tips

- Read through the text first for general understanding.
- Remember that the gapped word or words will often be part of a collocation or a fixed phrase.
- Check the words on each side of the gap carefully. Often, the options have very similar meanings but only one is correct because of a word (e.g. a particular verb) before the gap or another word (e.g. a preposition) after it.
- Remember to read the whole text through again when you have completed the task to check whether it makes sense.

Question 1: Which verb often goes with it to mean 'be successful'?

Question 3: The idiom to go to any ... to do something means to make a big effort to achieve something, including taking extreme or unusual steps. Which word completes the idiom?

Question 5: All four words can form phrases with in. However, three of them express the idea of a series of things, but only one expresses the idea of the result of a series of things. The result here is boosted sales.

Question 7: We often use one of these adjectives to describe something abstract like an aim or an idea which is difficult to define or achieve. This is the meaning here. The other words are used to describe places that are hard to reach or things that are hard to see.

Word-of-mouth success – what publishers dream of

'Word of mouth', a phrase that first (0) in Shakespeare's play *Twelfth Night*, is the kind of publicity all publishers want for their books. Positive reviews are useful, but it's only when lots of people start talking about a book that it really (1) it sales-wise. Word of mouth is what (2) behind the initial success of JK Rowling's Harry Potter books, for example.

Some publishers will go to any (3) to stimulate the phenomenon. Years ago, one company paid its own staff to read books published by the company whenever they travelled on public transport. The thinking was that the bright yellow covers would (4) and become the subject of casual conversations among passengers, which would in (5) boost sales.

With the (6) of social networking, creating word of mouth has almost become a science. However, despite Twitter, Facebook and the rest, publishers still find it as difficult as ever to generate that (7) thing, a viral conversation about a new book that persuades lots of people to buy it. It still seems to be unclear what the (8) to achieving word of mouth is.
