Quizlet Flashcards for the First 500 Words of the Academic Vocabulary List Emily R. Crandell, 2017 The Academic Vocabulary List AVL was produced by a rationale for word inclusion improved from the methodology used to generate Coxhead's AWL Gardner Davies 2014 It offers a comprehensive view of high frequency academic vocabulary that could greatly benefit ELLs if implemented into ELL curricula Gardner Davies 2014 However because of the newness of the list there are few learning resources currently utilizing the AVL The major objective of this thesis project was to create digital flashcards for the first 500 words of the AVL to increase the list's accessibility to ELLs and teachers worldwide These flashcards were made available through Quizlet's online interface This paper describes the two types of flashcards developed AVL words paired with simplified English learner definitions and AVL words paired with L1 translations into seven languages It further describes an evaluation of these flashcards by ESOL teachers working at a U S intensive English program and concludes with suggestions for the future development of AVL learning resources [Hey, Andrew!
