

Model answers for AQA GCSE English Language Paper 2 – November 2021

**Source A: 20th Century literary non-fiction Unreliable Memoirs
by Clive James**

An extract from an autobiography, published in 1980

**Source B: 19th Century non-fiction Sweets and their
Manufacture**

An extract from a magazine article, published in 1868

2 You need to refer to **Source A** and **Source B** for this question.

The children at the cinema in **Source A** and the children at the factory in **Source B** have different experiences of childhood.

Use details from **both** sources to write a summary of what you understand about the different experiences of the children. **[8 marks]**

Level 5/3-4 marks

In **Source A**, the children buy sweets at the cinema. This is shown in the quote "the first thing you did was stock up on lollies". This describes that they bought a lot of sweets to eat during the film. The children also had their own money to spend, as shown by, "two shillings was enough to buy you as much as you could eat". This shows that the children could buy what they wanted. However there are also some negative aspects to buying sweets.

Differently in **Source B**, the children make sweets for work. This shown in "Young girls are largely employed in the sweet-making trade" which describes that in the past children had to work. Also it shows that sweets used to be poisonous. This is shown in the quote "contained copper toxins." This would suggest that eating sweets could be extremely dangerous. However, the children who work are allowed to eat as many sweets as they want. This is shown in the quote "the workers are given liberty to eat as much as they like". This shows that there was a good side to having to work at the factory.
