The Lady in Red Shirley Elizabeth Brumfield,2020-11-22 MY STORY IS about an addict whose name is Elijah Wayne Jackson Eli for short This has many characters mainly drug addicts I have woven the Lady in Red on the assumption that she is a product of his

paranoia The story line I hope will bring the public to an awareness of addicts and the things they do when they are high and ingesting drugs The story is very explicit and complete with mystery and science fiction overtures My story takes place in a ghetto in Brooklyn New York around the late 1980s a time when crack cocaine was strongly used Although other addicts and their highs are being depicted it is only to give the reader a sense of how things play out in the drug world as opposed to the real world Basically I am trying to bring science fiction to the ghetto in a more believable sense Along with the mystery of the Lady in Red there is another main character that comes into play and his name is James James is a mystery within himself To go into more detail about my story and its characters you will just have to read my story Lady in Red Stacy
