Consumer Reports (Firm)

Marantz Dvd User Guide:

Complete Guide to Audio John J. Adams, 1998 Written for the consumer who wants to know more about sound and sound systems this book contains comprehensive simple explanations It sheds light on audio systems and explains some common problems encountered in setting up the stereo system as part of a home entertainment system *Locked Out* Evan Elkins, 2019-08-31 A rare insight into how industry practices like regional restrictions have shaped global media culture in the digital era This content is not available in your country At some point most media consumers around the world have run into a message like this Whether trying to watch a DVD purchased during a vacation abroad play an imported Japanese video game or listen to a Spotify library while traveling we are constantly reminded of geography s imprint on digital culture We are locked out Despite utopian hopes of a borderless digital society DVDs video games and streaming platforms include digital rights management mechanisms that block media access within certain territories These technologies of regional lockout are meant first and foremost to keep the entertainment industries global markets distinct But they also frustrate consumers and place territories on a hierarchy of global media access Drawing on extensive research of media industry strategies consumer and retailer practices and media regulation *Locked Out* explores regional lockout s consequences for media around the globe Power and capital are at play when it comes to who can consume what content and who can be a cultural influence Looking across digital technologies industries and national contexts *Locked Out* argues that the practice of regional lockout has shaped and reinforced global hierarchies of geography and culture **The Perfect Vision** ,2007

Serving Library Users from Asia John Hickok, 2019-06-12 Asian populations are among some of the fastest growing cultural groups in the US While books on serving other target groups in libraries have been published e g disabled Latino seniors etc few books on serving library users of Asian heritage have been written Thus the timely need for this book Rather than a generalized overview of Asians as a whole this book has 24 separate chapters each on 24 specific Asian countries cultures of East Southeast and South Asia with a wealth of resources for understanding interacting with outreaching to and serving library users of each culture Resources include cultural guides both print and online language helps with sample library vocabulary Asian booksellers nationwide cultural groups professional literature and more Resources and suggestions are given for all three types of libraries public school and academic making this book valuable for all librarians The demographics of each Asian culture numbers and distribution plus history of immigration and international student enrollment is also featured As a bonus each chapter spotlights a US public school and academic library providing model outreach to Asian library users Additionally this book provides a detailed description and analysis of libraries in each of the 24 Asian countries The history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation Country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more Based on the
