**Country Information**

Polish history reaches back to before 1000 A.D. It became a kingdom in 1025, and had borders remarkably similar to the Poland of today. They have a proud history, but have suffered a great deal throughout the 20th Century. The Nazis decimated them during World War II murdering millions of Poles and those of Jewish descent in particular, and then they fell under the thumb of the Soviet Union for some 50 years. But Poland has never stopped fighting, and always viewed itself as an independent nation.
