Ticketing Process

When you are ready to issue tickets, store the fare that you expect the booking to be ticketed at, and email ticketing@aviateworld.com to request ticket issuance citing the payment method and inform your GDS in the subject line. For urgent ticketing requests please call during office opening hours.

Queuing a booking: QEB/GIH/31

** Please remember not to include */y" at the end of the above entry as we will be unable to queue back to you.

Please note, if the booking has been split, we will need to check the split PNR before issuing the tickets, please be aware bookings will not be ticketed unless we have access to the full history including split PNRs.

Once you have transferred the ownership of the booking, Aviate will assume that all sectors will be issue under one ticket. If you required multiples tickets under one PNR, our services fees will be charged per issued ticket. We can issue multiple tickets upon request, however if you wish to ticket some of the sectors in your GDS, these sectors must be issued in advance before queuing the bookings over, so Aviate can issue the remaining sectors from your PNR, in case the other sectors haven't been issued. Aviate will not accept your bookings and your PNR will automatically be queued back to you.

Aviate will verify the stored fare and, once payment is taken, issue the tickets. If your booking has missed the ticketing time limit, or does not have a valid stored fare, we will be in touch for clarification. We can only issue tickets within office opening hours, so please take this into consideration when transferring your booking.

Once the tickets are issued, it will be grabbed onto our back-office system and queue back to you immediately. It might take longer if we find any problems grabbing onto our system, however, once the problem is rectified, it will be queued back as normal.
