Love's Intercession
Angela Mah, 2024-03-29 Every person has a unique life story and a relationship with God that is theirs alone Angie has reflected on her spiritual journey and found that if you take the time to look to God and ask for support surprising revelations and events occur Angie's story is an illustrated story describing events from childhood to mid life She has continually searched for meaning and purpose in her life and thought that being a professional engineer would provide that for her but she always felt unsatisfied It was not until the occurrence of several significant events throughout her life that her search for meaning and purpose would lead her on a spiritual journey for answers She shares her life story with readers to help them reflect on their own life's events to find meaning and purpose Each of us must reflect on all the good and bad events in our lives and see the bigger picture God has in store for us Life's events are not always a large spectacular miracle but a life of small events that culminates into something grand for each person You can find your own meaning and purpose through faith in God the Bible and prayer and meditation

The Career of a Tsarist Officer Anton I. Denikin,1975-08-14 The Career of a Tsarist Officer was first published in 1975 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions General Anton I Denikin served as an officer in the Russian army throughout a notable career until 1920 when as commander in chief of the White Russian armies he was forced to flee from Bolshevik forces at Novorossiisk In these memoirs which cover his childhood youth and military service up to 1916 we have an unusually candid autobiography and one which illuminates some little known aspects of Russian social as well as military history General Denikin was born in 1872 in the Warsaw province of Russian Poland He was a graduate of the prestigious General Staff Academy in St Petersburg and during his years at the academy he launched a literary career which continued for the rest of his life enabling him to support his family in their later exile Distinguished service in the Russo Japanese War earned his promotion to colonel in the army and from that time in 1905 to his tragic fate in 1920 when he left Russia never to return he served his country with a deep and abiding loyalty matched only by his devotion to the Orthodox religion After living in exile in several European countries principally in France he moved in 1945 to the United States where he died in 1947 The present volume is a translation from the Russian language edition which was published in 1953 by the Chekhov Publishing house in New York In this General Denikin s last work he provides the social and intellectual background for an understanding of the traits of the Russian officer corps which enabled them to continue the fight for a unified non Bolshevik Russia even after the tsar was dead and the cause obviously lost Through Denikin s eyes one sees also a revealing picture of the efforts of Russo Japanese War participants to renovate the Russian army in the interwar period their recognition of the growing threat from Germany as well as from the revolutionaries and the futility they felt as they entered prematurely into World War I
