Mapping Gender In Ancient Religious Discourses:

Mapping Gender in Ancient Religious Discourses Todd C. Penner, Caroline Vander Stichele, 2007 A collection of essays on early Christian Jewish and Greco Roman religious discourses in antiquity focusing on the construction of gender in relationship to broader cultural and religious themes argumentation and identity formation in the early centuries of the common era

Contextualizing Gender in Early Christian Discourse Caroline Vander Stichele, Todd Penner, 2009-06-30 In this book Vander Stichele and Penner introduce their own gender critical approach to the New Testament and other early Christian writings Building on feminist and post colonial insights they explore the importance of gender in both text and context and discuss the diverse issues involved in interpretation as they relate to gender sex and sexuality The authors also set out their methodology and highlight the various hermeneutical issues involved such as the complexity of gendered and sexed identities in antiquity and the gap that exists between modern and ancient conceptions thereof They further illustrate their gender critical approach with concrete examples from the Acts of the Apostles the letters of Paul and the Acts of Paul and Thecla in order to demonstrate how a gender critical approach works in practice As such this book is unique in terms of its range as well as in the explicit methodological focus that is fostered throughout

Satan P. G. Maxwell-Stuart, 2008 The Devil like the poor is always with us Evil has been personified in every religion and culture and Christianity in particular developed a highly graphic view of him from its earliest period Sometimes grotesque sometimes beautiful sometimes threatening sometimes seductively helpful sometimes comical Satan has played a variety of roles in human existence Feared and frightening adversary of humankind during the Middle Ages supposed master and friend of witches during the sixteenth century and seducer of the devout during the seventeenth he was gradually explained away as the nineteenth century started to lose its faith at home and export him in all his traditional aspects to the Empire He made a startling and vicious come back during the twentieth century as a focus of renewed admiration and even worship This book follows the Devil through his various sometimes surprising incarnations from the ancient world to the present and shows that his reign is by no means over even in the West **2010** Redaktion Osnabrück, 2011-06-16

The Thunder: Perfect Mind Hal Taussig, 2010-11-15 This is the first book length treatment in English of the Nag Hammadi text The Thunder Perfect Mind a poem of I am statements that has garnered a

strong following in mainstream culture This book offers a fresh current translation with detailed Coptic annotations and ten chapters of introductory analysis of the text Approaching the text from socio historical literary and postmodern gender theoretical frameworks the editors situate Thunder as an early Christian text away from the now suspect category of Gnosticism and offer conclusions on its possible ancient meanings as well as its interpretive possibilities for the present moment

Henoch ,2008 Religion and Violence David A. Bernat,Jonathan Klawans,2007 Violence that is motivated by and justified by religious ideas authorities and texts is everywhere around us Some say that the origins of religion and human violence are inherently connected and that the explanation for religious violence lies at the heart of the religious imagination itself others that human violence was there long before religion ever came about being no more than an unfortunate by product of human evolution Reconsidering the question of religion and violence in the biblical heritage is a narrower but nonetheless essential endeavour to which the present volume addresses itself After an introductory chapter by the editors on religion violence and the Bible Ziony Zevit writes on violence in Israelite culture and in the Bible Tamar Kamionkowski on violence in prophetic literature Stephen Geller on the prophetic roots of religious violence David Wright on homicide talion and vengeance in the Covenant Code Lawrence Wills on the death of the hero and the violent death of Jesus Jennifer Wright Knust on sacrifice and sacred text in Justin and David Frankfurter on vengeance fantasies in the New Testament Stephen Marini offers concluding reflections on religion and violence under the rubric of conflict subversion and sacrifice

New Books on Women and Feminism ,2007 **Gender Studies in den Altertumswissenschaften** Darja Šterbenc Erker,2015 The contributions in this volume deal with the development of the concept of women in the ancient world and the reception of that concept in the last century The authors analyze the meanings given to images of women or men in various texts and the ways in which ancient and modern authors including film directors reshape them Topics discussed include the changeability of gender in literary texts literary play with gender stereotypes the religious roles of women in ancient Greece and Rome the embodiment of foreignness and otherness by female figures such as Cleopatra and Medea the reception of such images in literature and film and the role of gender order in the intellectual history of ancient Greece
