**The Female Fan Guide to Pro Football** Betsy Berns,1999-07      **Routledge Handbook of Football Studies** John Hughson, Kevin Moore, Ramón Spaaij, Joseph Maguire,2016-10-04 Football is unquestionably the world's most popular and influential sport. There is no corner of the globe in which the game is not played or followed. More countries are affiliated to FIFA, football's governing body, than to the United Nations. The sport has therefore become an important component of our social, cultural, political, and economic life. The Routledge Handbook of Football Studies is a landmark work of reference going further than any other book in considering the historical and contemporary significance of football around the world. Written by a team of leading sport scholars, the book covers a broad range of disciplines from history, sociology, politics, and business to philosophy, law, and media studies. The central section of the book examines key themes and issues in football studies, such as the World Cup and international competition, governance and ownership, fandom and celebrity. The concluding section offers in-depth surveys of the culture and organisation of football in each of the regional confederations from UEFA to CONCACAF. This book will be fascinating reading for any serious football fan and an essential resource for advanced students or scholars undertaking research in football or sport studies, and any practitioner or policy maker working in football.

**Female Fans of the NFL** Anne Cunningham Osborne, Danielle Sarver Coombs,2015-09-16 In the past, sport, particularly football, has been defined as a male domain. Women's interest stereotypically ranges from gentle tolerance to active resistance. But increasingly, women are proudly identifying themselves as supporters of their teams and have become highly desirable audiences for sport organizations and merchandisers. Football provides a unique site at which to examine the complex interplay between three theoretical areas: identity formation and maintenance, commercialization of cultural practices, and gender hegemony. This book explores how women experience their fandom and what barriers exist for the female fan.

**Soccer, Women, Sexual Liberation** Hong Fan, J. A. Mangan,2004 This collection considers women's football in a global context and analyses its progress and the challenges and problems it has faced.

**You Are Looking Live!** Rich Podolsky,2021-10-15 *You Are Looking Live!* is about the genesis, success, and magic of a live television show that in 1975 captured the excitement of the country and launched four magnetic personalities to stardom: Brent Musburger, Phyllis George, Irv Cross, and Jimmy The Greek Snyder. It was truly a piece of Americana. It was the first NFL studio show to go live and the first to have both a Black and female co-host. Those four personalities battled each other, and the competition America loved them for it. This is the story of how Brent, Phyllis, Irv, and Jimmy got there, their drama, and front-page headlines and what happened to them after the magic ended. Those headlines included Brent and The Greek's famous fight at Peartrees, Phyllis first marrying the man who produced *The Godfather*, then dropping him after two months for the next governor of Kentucky, and the shocking firing of Musburger on April Fool's Day 1990. America had never seen a show like this before. On the East Coast and the Midwest, people would literally rush home from church to hear what they had to say, and on the West

Coast fans loved waking up to it The NFL Today became so popular that it not only dominated the ratings but also won its timeslot 18 straight years from 1975 to 1993 until CBS lost its NFL package to Fox And today looking back these four personalities like any family had their own battles and became even more famous for them The Ultimate Female Fan Guide to Pro Football Betsy Berns,1998 **Catalog of Copyright Entries.
