Objective **1. Introduction**

We use connectives (also called linkers) to join ideas in a sentence.

and	We use 'and' to add information or join similar ideas.	My cousin likes drawing and singing. We played games and went to a film.
but	We use 'but' to show something different or opposite.	I love playing with my cousins, but they don't like singing. My brother is young, but he's very loud.
or	We use 'or' to talk about choices.	Do you want to play with us outside? We can visit grandma on any of these.
when	We use 'when' to talk about the time something happens.	I always smile when I see my best friend. We have dinner when that movie starts.
where	We use 'where' to talk about places.	This is the park where we play football. We went to the city where they went to work.
because	We use 'because' to give a reason.	I like football (and) because we sit together. The crowd because she lost her bag.
if	We use 'if' to talk about a condition - something that might happen.	If you finish your homework, we can play a game. I'll go to the party if my mum says so.
