

Mendelian Genetics Vocabulary Answer Key

Term	Definition	Picture	Analogy
Heredity	Is the passing of physical characteristics from parents to offspring		
Trait	Each different form of a characteristic, such as stem height or seed color, that an organism can pass on to its offspring through its genes.		
Genetics	The scientific study of heredity.		
Fertilization	The joining of a sperm cell and an egg cell to form a new organism.		
Purebred	A purebred organism is the offspring of many generations that have the same trait.		
Gene	The factors that control a trait; a segment of DNA on a chromosome that codes for a specific trait.		
Alleles	Are the different forms of a gene.		
Dominant	An allele whose trait always shows up in the organism when the allele is present.		
Recessive	An allele that is hidden whenever the dominant allele is present		
Hybrid	An organism that has two different alleles for a trait; an organism that is heterozygous for a particular trait.

STEAM Meets Story Gloria D. Campbell-Whatley, Diane Rodríguez, Jugnu Agrawal, 2021-06-11 This innovative STEAM guide will help general and special education teachers to increase effective instruction with adolescents grades 5-10. The authors show teachers how to link STEM concepts with popular fiction and film selections as a catalyst to launch student interactions, discussions, projects, and investigations. This approach will promote problem solving and reasoning skills by initiating the scientific process rather than simply presenting established facts. The book includes a wealth of lesson plans that connect abstract STEM ideas to realistic experiences that students encounter. Sample lessons call on students to produce drawings and models that move STEM to STEAM. Grounded in popular film and some of the most read young adult books, the text includes teaching strategies found to be effective with traditionally underserved students and those with disabilities. **Book Features:** Standards based STEM lessons interrelated and interwoven with writing, reading, speaking, and other skills. Practical ideas and hands-on activities for engaging adolescents in both traditional and virtual environments. Guidance for working with diverse populations such as students with different abilities, culturally and linguistically diverse students, translingual students, and transnational students. Templates, handouts, and lessons linked to *Star Wars*, *The Giver*, *The Immortal Life of Henrietta Lacks*, *Harry Potter*, *To Kill a Mockingbird*, *Star Trek*, *The Matrix*, *Holes*, and more. **DAT Prep Plus 2023-2024** Kaplan Test Prep, 2023-02-07 Kaplan's DAT Prep Plus 2023-2024 provides the test-taking strategies, realistic practice, and expert guidance you need to score higher on the Dental Admissions Test.
