George R R Martin List In Order:

The Worlds of George RR Martin Tom Huddleston,2024-09-24 In the many realms of modern fantasy there is only one true King and his name is George Raymond Richard Martin With A Song of Ice and Fire Martin has created a world on a scale almost unrivalled by any other single writer Approaching two million words and still evolving this genuinely epic series of novels with its deeply interlocking narratives finely crafted drama and enormous range of characters is a creation of extraordinary breadth So how did a writer best known for short stories come to craft such a gigantic sequence of novels and what is the key to their extraordinary success What sources historical literary and personal did Martin draw upon in the writing and what inspiration did they give him The Worlds of George R R Martin is an in depth bringing together of the enormous range of inspirations behind Martin s work from historical borrowings as wide ranging as the Roman empire the Wars of the Roses and the Mongol conquests to diverse literary and mythological texts and Martin s own family experience and biography

Adaptations in the Franchise Era Kyle Meikle,2019-01-24 Adaptations in the Franchise Era re evaluates adaptation s place in a popular culture marked by the movement of content and audiences across more media borders than ever before While adaptation has historically been understood as the transfer of stories from one medium to another more often than not from novel to film the growing interconnectedness of media and media industries in the early twenty first century raises new questions about the form and function of adaptation as both a product and a process Where does adaptation fit within massive franchises that span pages stages screens and theme parks Rising scholar Kyle Meikle illuminates adaptation s enduring and essential role in the rise of franchises in the 2000s and 2010s During that decade and a half adaptations set the foundation for multiplexed multiplied film series piloted streaming television s forays into original programming found their way into audiences hands in apps and video games and went live in theatrical experiences on Broadway and beyond The proliferation of adaptations was matched only by a proliferation of adaptation as fans remixed and remade their favourite franchises online and off This volume considers how producers and consumers defined adaptations and how adaptations defined themselves through the endless intertextual play of the franchise era
